DOG SAVES FAMILY

Westbury, Long Island, N. Y. — The persistence of a German shepherd guide dog is credited with saving the lives of three persons from death by escaping gas.

Kristie, the dog lives with Mrs. Blanche Carnes; her son and Miss Margaret Morgan. She tried unsuccessfully to awaken Mrs. Carnes but finally aroused Miss Morgan who let the dog outside. The dog scratched the door to get back in and by its strange behavior Miss Morgan became suspicious something was wrong. Investiating, she detected the faint odor of gas and aroused the others.

Mrs. Carnes and Miss Morgan are blind.
